Experience Our Ocean Playground . . .

Located in the heart of downtown Vancouver, Bites-on Salmon Charters is proud to serve as the city's premier sportfishing charter company. We provide exceptional service and our guides are renowned for their success rates.

We offer twin-engine sportfish yachts up to 40 ft. and all vessels are fully equipped to take you on an unforgettable ocean adventure.

We can accommodate the single angler or groups of up to 70 guests.

Depending on the season, you can find yourself fighting scrappy Coho (Silver), Sockeye and Pink salmon on light tackle, or battling the mighty Chinook (King) salmon at the mouth of many rivers within minutes of our docks.

Discover our secret . . . excellent salmon fishing right on our doorstep.

Spring ushers in the salmon season with large numbers of Chinook feeding on schools of herring.

Summer is prime time in the Vancouver area. Chinook and Coho salmon can be caught on light tackle in shallow water, very close to our docks. August brings millions of Sockeye and Pink salmon migrating to our region. These fish make excellent table fare.

Fall arrives with great anticipation of fishing for large Chinook that are returning to the Capilano, Harrison, Indian and Fraser Rivers. These salmon average over 30 lbs, with many in the 40 lb range. 50 lb King salmon are not uncommon in our waters this time of year.
